NOTICE

SUBJECT: 2013 Individual Commingled Rate Survey Program

Due to critical staffing and budgetary constraints, CalRecycle is considering suspension of the Individual Commingled Rate Survey (ICRS) program for rates effective 2013.

Current ICRS participants in the 2012 rate year surveys may complete the year and will receive an Individual Rate for 2012 if approved by CalRecycle. Those rates will be effective January 1, 2012 through December 31, 2012.

In order to comply with current law, we are accepting ICRS applications for the 2013 rate year in the event we find a staffing solution that allows for surveys to be conducted, validated, and approved within mandated time frames.

If you are interested in applying, please download and complete an application from our website at www.calrecycle.ca.gov/BevContainer/Notices/#Commingled. Please postmark your applications no later than September 1, 2011.

We apologize for the last-minute communication and we will let you know as soon as a decision is finalized.

For help with the application form, please contact Amy Seyfried at (916) 322-1580, or via email at lcrcData@calrecycle.ca.gov. For further information regarding the ICRS program, please contact Michael Vanderburg at (916) 327-2769 or via email at lcrcData@calrecycle.ca.gov.
